Pennsylvania Nutrition Education Tracks (TRACKS)
FY 2015 Programming Track Descriptions:
Objectives, Education Materials, Evaluation & Collaboration

TRACKS partners provide SNAP-Ed services to eligible senior centers in conjunction with the Congregate Meals program.

Many TRACKS partners provide nutrition education to clients of local food pantries. Efforts are made to provide nutrition information that will enhance the ability of food pantry clients to use the foods provided to them as part of a healthy diet.

DPW County Assistance Offices have been utilized to recruit participants for school-age interventions such as “Cook like a Chef” cooking camp.
